SIGE – ŠPILJSKI UKRAS

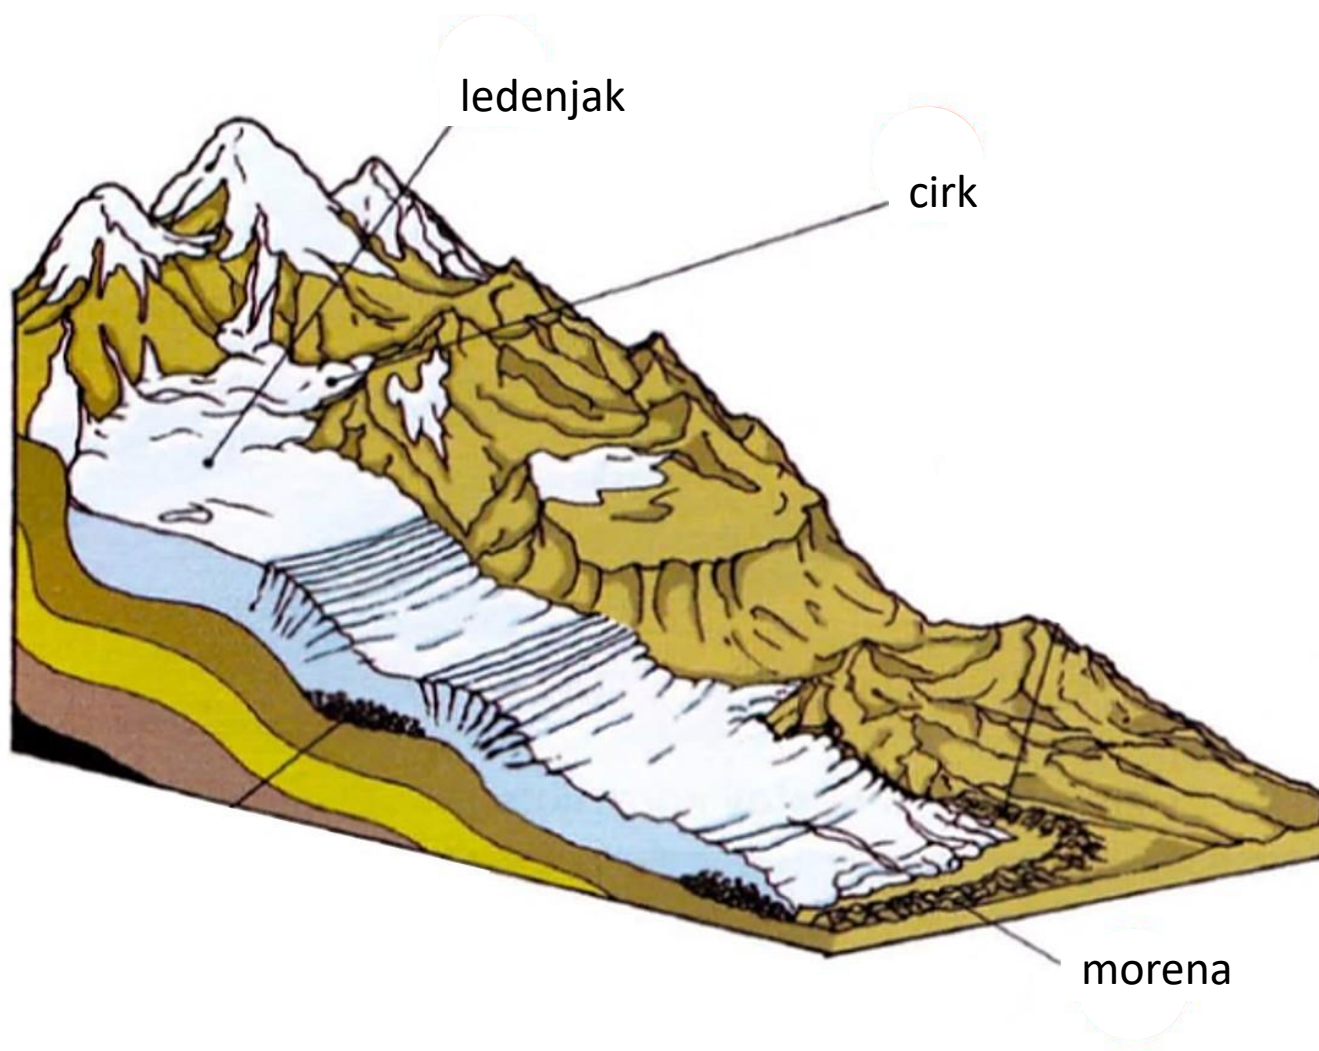

A detailed black and white line drawing of a cave interior. The cave ceiling is irregular with several stalactites hanging from it. The floor is also irregular with several stalagmites rising from it. Some stalagmites are tall and thin, while others are shorter and wider. A line from the label 'STALAGMITI' points to a small stalagmite on the left. A line from the label 'STALAGNATI' points to a large, wide stalagmite on the right. A line from the label 'STALAKTITI' points to a stalactite hanging from the ceiling.
